Dear Ms. Hall,

We at MEND want to thank you and Brandeis National Committee for volunteering the time and talent of your group on September 12, 2014. Your team contributed so much in sorting and distributing the food and clothing that our clients need. We couldn't fulfill our mission to serve those in our community living in poverty without volunteers like you!

Please extend our thanks to each member of your group. We invite individuals in your group to consider becoming involved in MEND on a regular basis. MEND has volunteer opportunities for those available weekly, monthly, or annually; weekdays, Saturdays, or evenings; and options to work at one of our Centers or at home. More information is available on the MEND website, www.mendpoverty.org.

Also, we welcome your support through donations of food, clothing, or funds. Together, we're making a difference in the lives of children and families in need!

We appreciate you and hope to see you again at MEND!

Sincerely,
