## Meet Our Guest Authors:

*Chris Erskine,  
author of Daditude*

Chris Erskine hits nothing but home runs. His work is replete with wit, context, perception, and almost always a healthy dose of compassion. I've loved his columns for years. You will, too."

- Al Michaels, legendary sportscaster

"If I have to come and hand sell this book to each of you, I'll do it. This book is so funny and so good - and so short and so elegantly published - that you will be thrilled to own it. I tracked the guy down with a fan letter. A+"

*Les and Tyree Wieder,  
authors of Matzo Ball  
and Corn Bread:  
A Love Story*

While this book is indeed a love story, it also shows us the respect we can have for each other no matter what our religious and racial differences may be. We learn the positive rewards of total acceptance of the diversity in our cultures and backgrounds. It was most inspiring, and a lovely read. One can learn a great deal from Tyree and Les. Love is colorblind – as it should be! A must-read!

*Taylor Jenkins Reid,  
author of numerous books*

"A novel of Old Hollywood that's simultaneously gossipy and poignant. Look no further for the glamour, ambition and shocking secrets your beach-blanket sessions demand."
